

REMARKS

This Application has been carefully reviewed in light of the Notice of Allowance and Examiner's Amendment mailed November 30, 2004 ("Examiner's Amendment"). Applicant appreciates the Examiner's indication that Claims 1-11 are allowable.

In the Examiner's Amendment, Claim 11 was amended by the Examiner to recite a "method" rather than a "device." Applicant apologizes for any confusion caused by Applicant's previous amendment to Claim 11 (in the Response to Office Action mailed on September 22, 2004 ("Response")). In that Response, Applicant mistakenly changed the dependency of Claim 11 from Claim 9 to Claim 1, which recites a method. Applicant intended to change the dependency of Claim 11 from Claim 9 to Claim 7, which recites a device. Accordingly, Applicant has amended Claim 11 at this time to correct this mistake. Applicant submits that no new matter has been added with this amendment.

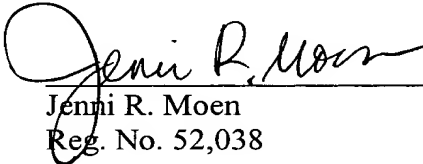

CONCLUSION

Applicant has made an earnest attempt to place this case in condition for allowance. For the foregoing reasons, and for other reasons clearly apparent, Applicant respectfully requests full allowance of all pending claims.

If the Examiner feels that a telephone conference would advance prosecution of this Application in any manner, the Examiner is invited to contact Jenni R. Moen, Attorney for Applicant, at the Examiner's convenience at (214) 953-6809.

Although no fees are believed due, the Commissioner is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 02-0384 of Baker Botts L.L.P.

Respectfully submitted,
